Holy Week Leading to Easter Sunday Attracts Many to Local Churches

Extra Services and Special Music, Planned for Holy Day

Holy Week, leading up to Easter Sunday, is drawing the interest of a large number of Antioch church members and it is probable that attendance at services Sunday will be much larger than usual.

The cross as a symbol of the sacrifice of the Christ will take on new meaning to many, and the joy of a faith in spiritual life after death will be reflected in various ways.

St. Peter's Church

Holy week at St. Peter's Catholic church began last Sunday with the blessings of palms and high mass during Palm Sunday services.

Confessions were heard Wednesday evening with high mass and the procession of children taking place at 8 a. m. today. There will be Holy Hour this evening.

Tomorrow, Good Friday, there will be the mass of the pre-sanctification at 8 a. m., with the service at 8 o'clock at night taking on the Stations of the Cross.

There will be blessing of the fire and Easter candles at the 8 a. m. service Holy Saturday, followed by the recitation of the prophecy and the mass. Joyful prayers and songs will be in anticipation of Easter.

There will be confessions from 4 to 6 and from 7 to 9:30 p. m. Saturday.

Mrs. Dorothy McGreal will direct the choir at high mass, one of the four services Easter morning. Father Francis Flaherty will be in charge of the services, and Fr. Francis Gilbride will be his assistant.

Methodist Plan Services

Two identical Easter services, one at 9:30 and the other at 11 a. m., will be held at the Antioch Methodist church.

Another Vote Scheduled For April 12 on Wilmet High School Addition

A second vote on the proposed \$400,000 addition to the Wilmet High school will be taken Apr. 12, at the school gymnasium.

Although the proposal was approved 255 to 234 recently, Arthur Bloss, Salem farmer, who led the opposition and considered the issue settled, found hitherto unrevealed opposition which, he says, causes him to renew the battle.

Bloss said his decision was confirmed at a meeting attended by residents from all parts of the district at the Legion hall in Silver Lake March 24.

The opposition group notified the state of its decision by wire in effort to prevent the granting of a state loan on the basis of the first meeting. The application had just been received, but will be held up pending the second ballot.

T. A. Bakken, chief clerk of the commission of public lands, announced. Complaint was made that not all of the voters were notified of the meeting, and the building was too crowded for many to get in to vote during the limited time. Enrollment figures and actual needs were questioned.

Bloss said he hopes to get a "truer expression of the will of the people by keeping the polls open for at least a few hours." The second meeting will start at 8 p. m. and the time for closing will be decided then.

He charged that the joint statement of the school board on the \$400,000 building program implies they have the endorsement of the state superintendent of instruction and his subordinates, when those officers have not examined the program since the new Central High school district was formed.

Will Speak on Gardening

Henry Eicholtz, Des Plaines, will discuss truck gardening and marketing of truck gardening crops over the Waukegan radio station WKRS from 1 to 1:30 p. m. March 27 under auspices of the Lake-Cook Farm Supply Co.

Brook Gets Radio Speaker

William Brook, Jr., Antioch, president of the Lake County Bankers association has arranged for a speaker over radio station WKRS from 1 to 1:30 p. m., Apr. 24 to discuss various services the bankers of the county provide farmers, home owners and business men.

Refunds on Income Tax Payments to be Made After June 30, Promised

John T. Jarecki, Collector of Internal Revenue for the First District of Illinois, announced today that his office expected to complete the mailing of refund checks in connection with overpayments of 1950 income tax elected for refund by individuals, not later than June 30, 1951.

Collector Jarecki asked that taxpayers refrain from sending letters, telephoning or coming to the Collector's office in connection with expected refunds on income tax for 1950 until July 2, 1951. In this way taxpayers will assist in expediting the refunding program.

The collector also stated that if taxpayers will cooperate in the manner requested he was certain that very few people will find it necessary to contact his office after June 30, 1951, regarding their failure to receive refunds shown to be due them on their income tax returns for the calendar year 1950.

Ernest L. Simons, Township Assessor, Dies Wednesday

Was Lifelong Resident of Antioch Township; Funeral Sat.

Ernest Levi Simons, well-known resident of Antioch, and assessor of Antioch township for the past twenty-two years, passed away yesterday (Wednesday) at 11:00 p. m. after an illness of two weeks. He had been in poor health for the past year, however his sudden passing was a shock to most residents of the community, who did not realize the seriousness of his condition.

He had long been active in community affairs and a willing worker for progress. He was an active participant in the formation of the 1st Fire Prevention District of Illinois, which furnishes fire protection for the region, and had acted as secretary and treasurer since the district was organized.

He was a fifty-year member of the Sequoit lodge A. F. & A. M., and had celebrated the fiftieth anniversary of his marriage to Emma Smart on May 10, 1900. His marriage took place May 10, 1900.

Born January 7, 1874, in Antioch, the son of Levi and Emeline Simons, he had made his home here all his life. He operated the Simons House, a hotel located on what is now the Village Park, and retired from business about thirty years ago, to devote his time to his business at Lake Marie where he had made his home, and to the duties of his public offices.

Survivors include his wife, Emma, one daughter, Mrs. Lloyd Murrie, a brother, Ira Simons, a sister, Mrs. Dora Sabin and two grandchildren.

Funeral services will be held at the Strang Funeral home Saturday, March 24 at 3 p. m. Burial will be at Hillside cemetery. Friends may call at the funeral home after 3 p. m. Friday.

Mrs. Geraldine Hagen Dies at Fort Bragg, N. C. Bring Body to Antioch

Fayetteville, N. C. (Special)—Mrs. Geraldine Hagen, 23, wife of Lieut. Dean C. Hagen, died Wednesday at the station hospital, Fort Bragg, N. C.

The body will be brought to the Strang funeral home in Antioch for the funeral service at a time to be announced later. Burial will be in Avon cemetery, Grayslake.

Surviving besides the husband, a member of the 456th ABN, FA-BN, at Fort Bragg, are two daughters, Constance Jean and Sharon Frances Hagen, her mother, Mrs. Hans Hauboff, Waukegan; her father Henry Pilling, Waukegan and five sisters, Mrs. Irene Pagliuighi and Mrs. Don Radke, Grayslake; Mrs. Florence Humphries, Detroit, Mich.; Mrs. Viola Nelson, Antioch; and Mrs. Betty Bazarek, Waukegan.

School Election Apr. 14

Fred Scott has filed his petition for another term on the Antioch Township High school board, but Dr. D. N. Deering, whose term like Scott's expires, will not run. Louis Biel has filed his petition to take Deering's place. The time for filing will end Saturday, Mrs. Lester Osmond, Sr., secretary, said. Voting will be on Apr. 14 at the high school and the Lake Villa grade school.

Gavin School District Seeks More Tax Levy For Education Purposes

Referendum Set for Mar. 31 For Vote in .20 Per Cent Hike

A referendum has been arranged for the afternoon of Saturday, Mar. 31, in which the voters of Gavin school district will be asked to ballot on the proposal to increase the education tax from .55 to .75 per cent.

A letter from the officers of the Parent-Teacher association of the school to members sets forth the cause for the election as follows:

"A tragic situation faces Gavin School. The truth of the matter is that Gavin is broke.

"Did you know that since 1947 Gavin's increase has been; Enrollment from 150 to more than 300 pupils.

Teaching staff from 6 to 12. Buses from 1 to 2. Janitors from 1 to 2. Classrooms from 5 to 10.

"We have exactly doubled on all needs and naturally the maintaining costs have more than doubled considering the price increases on all individual items during this period. It is absolutely impossible to maintain efficient service to the children of the school on the old 1947 Budget.

"Our operating income still stands at the 1947 level of 55c per \$100 assessed valuation or \$40,000. This is less than enough to pay the salaries of the 14 people on the school staff and leaves nothing for heat, light, transportation and supplies. Consequently our school board has had to operate on borrowed money. Now their power to borrow has reached an end.

"The average for the state for educating a child is \$300 per year. On the basis Gavin should have \$90,000 a year; we are asking for \$55,000 per year which would be an

Mrs. Theresa Krahn Dies at Salem, Wis., Funeral Held Sunday

Mrs. Theresa Kirsch Krahn, 83, died at her home in Salem, Wis., Thursday, March 15.

Born May 18, 1867 in Germany, Mrs. Krahn grew to womanhood and was united in marriage to the late William Krahn in their home country where their three oldest children were born.

In company with other members of the Krahn and Kirsch families, they came to America in 1893 and took up their residence in the eastern part of Kenosha County, Wis. Following the farming occupation, they later purchased a farm near Salem village and there made their home until they retired owing to advancing old age. The couple observed their golden wedding anniversary several years ago. Mr. Krahn died in 1947.

Mrs. Krahn, who was intensely interested in her home, maintained an active interest in her garden and housewifely duties, suffered a stroke a few weeks ago, and gradually grew weaker.

Surviving are fourteen children, six daughters and eight sons: Mrs. Hazel Yaner, Mrs. Anna Badtke, and Arthur of Kenosha; Mrs. William Moehn and William of Burlington; Louis of Pleasant Prairie; Charles of Somers; Mrs. Arthur Hackbarth and Edwin of Bristol; Mrs. Martha Romie, Mrs. Harry Mesmer, Sr., Julius, August, Harry, and a foster daughter Jeannette Krahn, who has been the constant companion and special subject of Mrs. Krahn in her declining years. There are also thirty-seven grandchildren and twenty-four great grandchildren.

Funeral rites were conducted Sunday afternoon at the Zion Lutheran church, the Rev. Charles Found officiating. Interment followed in the Burlington, Wis. cemetery.

Plan Men's Club Dinner

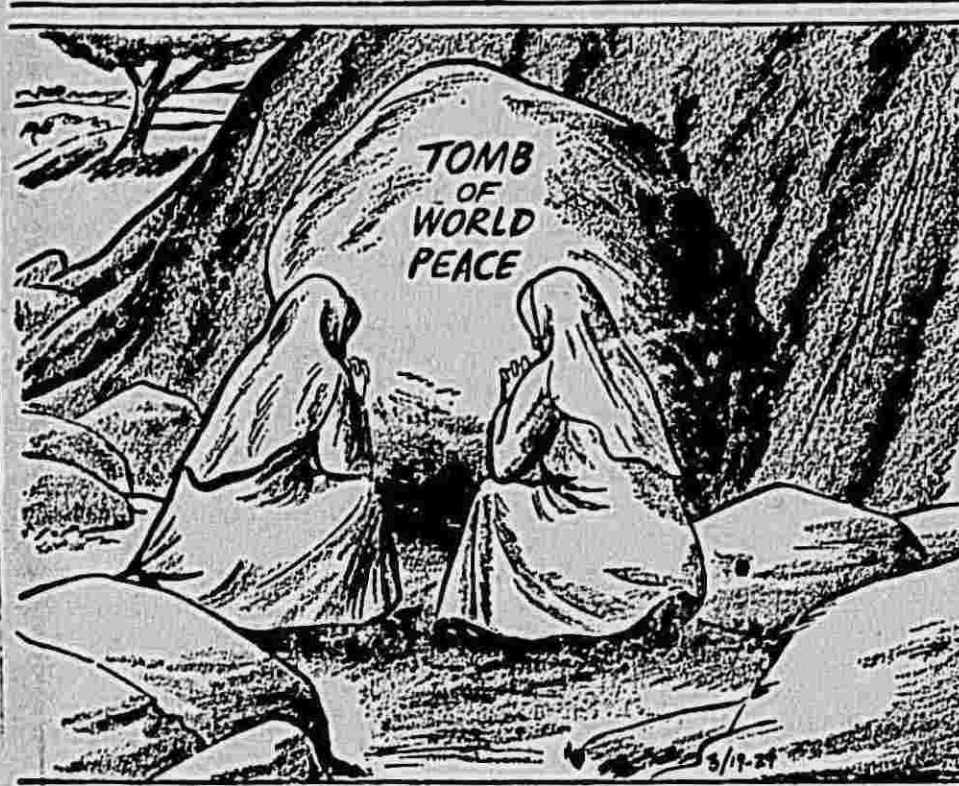

Preparations are continuing for the dinner of the Antioch Men's club scheduled for 6:45 p. m. Monday, Apr. 2, at the Methodist church.

John Noll will give a talk and show colored movies on Europe. It will cover approximately 20 countries through which he has traveled by automobile.

Attends Conference Meeting

Principal Richard Edmundson attended a meeting of principals of the Northwest conference at Northbrook yesterday. Very little business was transacted because of the small attendance. The next meeting will be on Apr. 14 at the high school and the Lake Villa grade school.

Prayers for Another Resurrection

Mrs. Maud E. Sabin, Member of Pioneer Antioch Family, Dies

Mrs. Maude Elizabeth Sabin, 81, 347 Hardin street, a life long resident of Antioch, passed away at St. Therese hospital Monday night.

She had been in declining health for some time but the approach to death was rapid only in the last two weeks.

Mrs. Sabin was born in Antioch March 11, 1870, the daughter of Levi J. and Emeline E. Simons, who were pioneer settlers of Antioch, and operated the Simons House at the present village park.

Her husband, Ellis C. Sabin, died in August, 1913. She was engaged in business for 40 years, gradually changing it from one of general merchandising and dry goods to that of gifts, novelties and linens. During the last 15 years the business was at 906 Main st.

Mrs. Sabin retired on Oct. 27, 1948 when her health began to fail. She was a member of the Methodist church, and a charter member of Antioch chapter Order of Eastern Star of which she was a past matron.

Her kindly spirit endeared her to all of her acquaintances, and she will be missed as a representative of the line of first families that have meant so much to the good reputation of the village.

She is survived by two brothers, Ira M. Simons, and Ernest L. Simons and one sister, Mrs. Dora Sabin, all of Antioch. Ernest Simons has since passed away.

The funeral service was held at 2 p. m. today at the Strang funeral home with the Rev. G. Richard Tuttle in charge. Burial was at Hillside.

Trustees Appropriate Motor Fuel Tax Money For Snow Removal Cost

The village board in special meeting last evening passed a resolution appropriating \$300 additional money of the motor fuel tax fund to pay for snow removal and other costs.

There is a balance of \$523 from a previous resolution and the total appropriation for the whole year will amount to \$1,635.

Because the village hall will be in use at the time of the next meeting, Apr. 3 for a town election, the board will hold its meeting that evening in the fire station.

Antioch Grade School Victor in Invitational Tourney at Libertyville

The Antioch grade school is displaying a fine trophy as the victor in the recent grade school invitational tournament at Libertyville.

Antioch on Friday, March 9 beat the expected winners, Libertyville in overtime play 26 to 25.

Then the local youths went on to defeat Diamond Lake the following Saturday morning 45 to 23, and in the final game that night overwhelmed Zion 50 to 26.

The boys were at their best in the Libertyville game in snatching a victory that the Libertyville school thought surely belonged to it.

Reports on the league play of the Antioch school are expected next week and the local team may get another trophy.

George Bacon is confined to his home on Lake street, due to illness.

Seniors Will Present "Almost Eighteen" Next Thursday, Friday Nights

The senior class play, "Almost Eighteen," will be presented Thursday and Friday evenings of next week (March 29, 30) at the Antioch Township High school auditorium, starting at 8 o'clock.

Members of the cast have been rehearsing for many weeks under the direction of Mrs. Jeanette Tullmelo, nee Darrough, who has taught here and directed plays for several years.

She promises that this comedy-drama will be an outstanding one, appealing to both old and young. Tickets are now in the hands of the class members.

A special privilege is being extended this year to the immediate family of members of the cast. A section of seats equal to the number of tickets purchased by them, but not to exceed 50, will be reserved in the best section of the house for both evenings.

Reservation will be only until 7:45 p. m., however, and the section will then be opened to the public.

The cast includes David Deering, Antioch, playing the role of the boy who is almost eighteen, with George Einfeldt, Lake Marie, and Jean Hawkins, of near Petite Lake, taking the roles of father and mother, and Lorraine Bock, Antioch, playing the role of his favorite girl.

Other members of the cast are: Ermit Finch, Lake Villa; Dolores Corbin, Cross lake; Mary Curnes, Antioch; Betty Erickson, Deep lake; Patricia Hogan, Lake Catherine; Ted Gajewski, Antioch; Gerald Schultz, of near Millburn; Doris Frozeth, Channel lake; and Bettie Burnett, Lake Villa, who is stage manager and substitute.

The advertising committee has prepared posters, planned a float, and a radio program. The properties committee is busy collecting stage properties, and ushers have been selected.

A skit program will be presented in the high school auditorium next Wednesday.

Charles Harrison, 85 Formerly of Antioch, Will Be Buried Here

Charles C. Harrison, 85, of 17 Edison ct., Waukegan, formerly of Antioch, died at 9:45 p. m. Tuesday at the Lake County General hospital following a stroke.

He was born Aug. 24, 1865 in McHenry county and moved from Antioch to Waukegan 48 years ago.

He married Sarah Pullen 63 years ago on Dec. 31, 1887, at Genoa, Wis. She survives him as do two sons, Ralph of Waukegan, and Harry of Kenosha, and a daughter, Mrs. Vivian Schuman, Waukegan. A brother, Andrew Harrison, resides in Portland, Ore.

There are 14 grandchildren and 24 great grandchildren.

The funeral service will be at 2 p. m. Friday at the Strang funeral home with the Rev. G. Richard Tuttle in charge. Burial will be at Hillside cemetery.

Connor Banquet Speaker

Mayor James McMillen has obtained George Connor, all-American tackle from Notre Dame as the speaker for the athletic banquet at the Antioch Township High school on the evening of Monday, Apr. 9. Connor, a graduate in 1949, played last year with the Chicago Bears.

Legislative Measures May Come to Aid of Antioch School Fund

P. T. A. Told of Bills in Hopper at Springfield Affecting Them

Bills before the state legislature if passed will permit school districts to bypass the steps of the Butler bill to obtain present or even increased revenues as needed. Ray Newnam, Zion, legislative chairman of the Illinois Education association for this area told the Antioch P. T. A. Monday evening.

The Antioch grade school is interested in these measures because it is affected by the supreme court ruling in the Bensenville case which made the Antioch school tax collections illegal.

Those affected by the decision could under the proposed measures obtain the desired amount through one referendum. The Butler bill called for stepping up the increases yearly from .50, .75, .90, to 1.125 per cent, whereas Antioch, as did most other schools at the advice of Chapman and Cutler leaped over some of these steps.

Newnam also said that House Bill 120 calls for increasing the minimum of teachers' salaries from \$1,200 to \$1,800, an amount to be paid those working toward a degree and working on certificate. Those with a bachelor of education degree with a master of science degree will get a minimum of \$2,400 and \$2,600.

He said he favored this bill as a means of increasing teachers' salaries in general over the state. Salaries here are well above the minimum.

He approved the bill calling for loyalty oaths from teachers, but disapproved senate bill 224 calling for a reduction of qualifying aid for state aid in equalization from 40 cents a hundred to 25 cents a hundred, assessed valuation.

The meeting was held in the cafeteria of the new addition of the school.

The kindergarten mothers had charge of the meeting and a shower for the kindergarten room brought \$35 in cash and many new and used toys.

Music was furnished by the grade school band under the direction of Hans Von Holwede.

A card party has been planned for April 21, and the proceeds will be used to buy equipment for the new kitchen.

Economic Highlights

On our side, the war in Korea has become a new kind of conflict. The classic goal of warfare is to capture or destroy important ground—cities, terminals, industrial districts, supply dumps, and so reduce the enemy's power to fight. In the initial stages of the Korean war, when the UN forces were opposed by the North Korean forces only, this was our goal there to a great extent. But it is no longer. We are fighting the Chinese, but no one seriously envisions driving across the Manchurian border in an attempt to capture Chinese land. And our planes are not permitted to fight or bomb over Chinese territory.

Our current plan was clearly and succinctly stated by General Ridgway, the able UN ground commander in Korea. It is not to capture "real estate"—most of which is of small value now. It is, instead, to kill as many Chinese soldiers as possible with minimum punishment to ourselves. If we can hit and hold our ground, well and good. If that becomes too costly, the policy is to move out, conserving our human resources, and to hit again another day and in another place. The "we will stand here to the last man" idea is out.

Our own casualties in Korea have been very

heavy—they have passed the 50,000 mark, the great majority among the ground forces. In the early days of the war the only troops available were occupation forces from Japan, many with little or no experience in combat. They took terrific losses. It was also necessary to commit units piecemeal, in pitifully small detachments, and too swelled the grim toll of killed, injured and missing in action. Many of the replacements and reinforcements from the United States were half-trained peace-time soldiers, and they also lost heavily. As the casualty list shows, Korea is a far cry from a police action to those involved in it. It is a major war.

But our losses have diminished to a remarkable degree in late months—due to the Ridgway strategy, to the hard-won battle experience of the troops, and to the great flood of improved equipment we have sent to Korea. And the Chinese casualties are incredibly high.

In its issue of March 2nd, U. S. News & World Report said that China's best armies, totaling 900,000 men, were moved to Manchuria for use in Korea, and about half that force has been committed. Of the last, one out of three has become a casualty—for a total of 185,000. That means, the magazine pointed out, that if the present casualty rate continues, China will have lost two out of three men, totaling 370,000, of those she committed to Korea. And the best observers believe that no nation, no matter how vast her reserves of manpower, can go on indefinitely losing trained men at that terrible rate.

Moreover, American ground, air and sea forces seem to have been remarkably successful in preventing the movement of adequate supplies to the Chinese army in Korea. Gasoline, transport, heavy ammunition and weapons—everything is short. We, on the other hand, have built up our firepower to an overwhelming degree.

We are staying on in Korea, then, because we can inflict enormous losses on the enemy while taking relatively small losses ourselves. Some top military men believe that the Chinese—who are said to be disappointed by the small amount of aid given them by Russia—will eventually pull out of Korea and let the war die. If that happens, it will be the first real defeat world communism has had to take.

Mary Kay, of St. Joseph, Mich., came Friday evening to visit Mrs. Krook's parents, Mr. and Mrs. Albert Kapple. Mr. Krook returned home the first of the week, but Mrs. Krook and Mary Kay remained for the week.

Mr. and Mrs. Chris Anderson, of Burnett Ave., spent Sunday with their daughter, Mrs. Wobel and family in Chicago.

The W. S. C. S. held a home bakery sale at the Hucker Sales room last Saturday and was soon sold out, so perhaps there will be another one soon.

The Halcyon Club will meet at the church basement on Tuesday evening, March 27, and the Woman's Society of Christian Service will be invited guests. There will be a program.

Miss Diane Sheehan, of Antioch, spent Saturday with her grandparents, Mr. and Mrs. Paul Avery, Sr. Mrs. Anna Ekdahl who has been ill for the past five months passed

away Sunday morning at Condell hospital where she had been a patient for about two weeks. Her husband, Gust Ekdahl passed away very suddenly in December and she has spent some time at the home of her son, Carl and family at Monaville. Mr. and Mrs. Ekdahl have lived in this vicinity for some time since they moved here from Nebraska and have many friends here. She leaves one brother in Sweden, one son, Carl, his wife and two granddaughters, besides nieces and nephews. Funeral services were held Tuesday afternoon at the Strang chapel in Antioch. Rev. Harrison conducting and burial was in Fox Lake cemetery, at Monaville, beside her husband.

LAKE VILLA

The Community church was filled with worshippers last Sunday to observe Palm Sunday, and a class of young people who have been in training under leadership of the Pastor, was received into membership. They were Thelma and Karen Neff, Jackie Martin, Carolyn Krepelin, Carlene Ekdahl, Joy Cribb, Yayne Herbst, Dick Swanson, Joanne Gerber and Kenneth Fiecks. Three Neff children were also baptized.

On Easter Sunday, Sunday school will meet as usual and there will be two services for worshippers, one at 9:45 a. m. when the Junior choir will sing and another service at 11 a. m., when the Senior choir will sing. All are welcome. It seemed advisable by the church board to have two Easter services so as to accommodate everyone more comfortably. Rev. Harrison will deliver the sermon at both services.

The little folks from 3 to 12 will have an Easter Bunny party at 3 o'clock in the afternoon.

There will be a communion service at 7:30 on Thursday evening and an evening service also at the church at 7:30 on Friday evening to which you are invited to come.

Mrs. John Perry and Mrs. Arthur Evans were in DeKalb last Saturday to attend the funeral of Mrs. Evans' sister, who was killed recently while turning a street corner and was hit by an automobile and suffered injuries which caused her death.

Mr. and Mrs. W. V. Kennedy, Mr. and Mrs. James Scanlon, of Chicago, spent Sunday with Mrs. Kennedy's sister, Mrs. Stella Pedersen on Oak Knoll Drive.

Don Brooks, son of Mr. and Mrs. Harvey Brooks of Burnett Ave., entered service in U. S. Seabees on Monday last week and for the pres-

ent is stationed at Great Lakes Naval Station. He has been employed by the Public Service Co., for some time.

Augie Tanner, of Chicago, a former resident of Lake Villa, spent the weekend in the Village.

Mrs. Helen Weber spent the last of the week with her sister, Mrs. George Mitchell in Evanston, and on Sunday boarded an air liner for Florida, where she will spend the next two weeks with her sister-in-law, Mrs. Jas. Connell and husband at their home at St. Petersburg. Miss Sue Weber and Wm. (Duke) Weber who are students at Carleton college will join her this week for the Easter vacation, and her mother, Mrs. Florence Kerr, will remain at the Mitchell home in Evanston during the time Mrs. Weber is away.

Gavin School District

(Continued from page 1) increase of 20c per \$100 assessed valuation or a tax increase of less than \$10 per year for the average home owner.

"If this tax referendum should not pass, the situation would be really serious, and some or all of the following consequences would then result:

1. Eliminate bus service.
2. Half day schedule so each teacher could take two groups.
3. Eliminate music instruction.
4. Require students to purchase all books used.

"Yes, we've all heard someone boasting say, 'Why, when I went to school I trudged along for two miles on a muddy road to get there'.

Yes, if we look back, the roads were muddy and traffic was up to the hub in it, too. Quite tiring we'll grant you, but, can you picture our children out on the present day paved speedway, dodging traffic?

There could be car pools, certainly, but there is no safer nor more efficient transportation than our nation's school busses.

"If our teaching staff is cut in half, classes will meet half days, a teacher taking on two groups in a day. We all realize what a serious situation that would be.

"There will be no time for music in the school nor the money to pay the supervisor.

"All books and teaching materials will be paid for by the parents, and many other inconveniences will be felt.

"Remember 'Better Schools make Better Communities and Better Citizens'.

"Gavin School serves a large district including several small communities and even sections of two townships.

"There are no civic clubs or groups to back Gavin with the exception of the P. T. A. We are grateful for the support of the three churches of our community.

"It is apparent that it becomes the duty of the public spirited individual who has the welfare of his community, children and country's future at heart, to see that each and every voter in our district will get out on March 31st and vote YES for this tax referendum.

"Polling place will be open from 12 noon until 7 p. m.

"Place to vote: Gavin School, Grand and Wilson Ave.

"Remember the date: March 31, 1951."

CHRISTIAN SCIENCE CHURCHES

Jesus' great proof through precept and example, that Spirit, God, is All-in-all and can have no opposite, will be discussed in all Churches of Christ, Scientist, next Sunday. The topic of the Lesson-Sermon on Sunday, March 25, is "MATTER."

The Golden Text is from Psalms (81:9,10): "There shall no strange god be in thee; neither shall thou worship any strange god. I am the Lord thy God, which brought thee out of the land of Egypt."

Lesson-Sermon passages from the Bible (King James Version) include Isaiah 55:7,8:

"Let the wicked forsake his way, and the unrighteous man his thoughts; and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon..." For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"We cannot serve both God and mammon at the same time; but is not this what frail mortals are trying to do? ... Divine Science, rising above physical theories, includes matter, resolves things into thoughts, and replaces the objects of material sense with spiritual ideas" (pp. 246, 123).

Tonyan Construction Co. Is Low Bidder On H. S. Addition

A figure of \$852,000, submitted by the Tonyan Construction company of McHenry, Illinois, was the low bid of the five received by the local high school board, last week. Other bids received from the Peter Hamilton Construction company, the Jos. J. Duffy Co., the E. W. Sproul Co., and Geo. Sollitt, all of Chicago, ranged from \$701,000 to \$700,000.

None of the bids were accepted, although it seems likely that the Tonyan Company will receive the contract, after changes are made which will bring the figure down to allow furnishing and equipping the building with the \$700,000 available.

Principal R. C. Edmundson said today that the board plans to try to negotiate a contract in a manner which will allow a rebate to the school in the event that the building is completed for less money than the quotation, and also that it seems possible that this can be done if rising costs of materials do not materialize. He said that in effect the contract would be a cost-plus with a top limit for the job, and that at least \$50,000 would be needed to equip the building.

dist Church Sunday morning. The robed choir will sing, "They Have Taken Away My Lord." Mrs. Doris Lathrop will sing a soprano solo, "Babylon." The minister, Rev. G. Richard Tuttle will bring the Easter message.

Young people in the junior, intermediate and senior departments of the Church School will attend church Sunday morning in place of the regular Church School. The beginners and primary departments which meet in the basement will meet as usual at 9:45. Parents desiring to attend the 9:30 service may leave their children in the basement at that time. There will be a nursery for babies and pre-church school youngsters at both services. Mrs. Richard Ripley is in charge of the nursery.

Good Friday Service

A Good Friday worship service will be held in the Antioch Methodist church at 7:30 p. m. tomorrow. The service which will be approximately one hour in length is open to the public.

19 in Membership Class

At the Palm Sunday service in the Antioch Methodist church a group of 19 young people were received into the membership of the church by the minister, Rev. G. Richard Tuttle. The young people have been meeting with the minister for the past several months in preparation for joining the church. Parents and sponsors stood with the young people as they individually took the vows of membership.

Six of the young people who joined the church first received baptism. They were Gretchen Biel, Fred Clarke, James Quendenfeld, Grace and Kenneth Rendall and Judy Shepherd.

In addition to these young people the following became members of the church on Sunday morning: Sue Abbs, David Bushing, Barbara Corbin, Sharon Gray, Robert Jarni-go, Donna Mae Jerde, Ruth Kufalk, Jack Palmer, Phyllis Petersen, Phyllis Pincombe, Elmo Smyth, Jr., William Wilton and Joanne Wilton.

The young people will be the honored guests of the Official Board at their monthly meeting in April.

St. Ignatius Episcopal Church. The Episcopal Church of St. Ignatius of Antioch observed Holy Week by services representing the final days of the Passion of our Lord, culminating in His Resurrection on Easter Day.

Today the institution of the Holy Communion was observed by a celebration of the Holy Eucharist at 9:30 a. m. During the day, and until Good Friday morning, the side altar of repose for the Blessed Sacrament may be visited.

On Good Friday the mass of the pre-sanctified, with Holy Communion, will be conducted at 9:30 a. m. From 12 noon until 3:00 p. m. the

annual three hour service of hymns and meditations on the words from the Cross will be held. The public is cordially invited to this service. On Good Friday afternoon Stations of the Cross will be conducted for the children of the parish, with hymns.

Easter Even (Holy Saturday). Holy Baptism will be administered at this traditional time, with the Lighting of the Paschal Candle to usher in Eastertide. The sacrament of Holy Penance in preparation for Easter communions will be administered in the church from seven to eight in the evening.

On Easter Day, there will be three Celebrations of the Holy Eucharist, at 8:00, 9:30, and 11:00 a. m. The 8 a. m. Eucharist will be Low or said; the 9:30 will be choral, with short sermon; the 11:00 will be sung, with Sermon.

PUBLIC NOTICE Notice of Proposed Change in Gas Schedules

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS hereby gives notice to the public that it has filed with the Illinois Commerce Commission on March 15, 1951, a new schedule of rates for gas service, Schedule G-7.

On December 15, 1950, Western United Gas and Electric Company and Illinois Northern Utilities Company were merged into Public Service Company of Northern Illinois. The four schedules for gas service as in effect prior to the merger were continued in effect after the merger as schedules of Public Service. The proposed new schedule will replace these existing schedules so that only one schedule and uniform rates

will apply to the entire territory now served by Public Service. It is estimated on the basis of use during 1950, that the proposed uniform rates will not result in an increase in the Company's revenue. In general reduced charges are provided for residential, commercial and firm industrial service, and increased charges are provided under the interruptible rates and to certain

large industrial users under the off-peak rate. The present rates for interruptible gas service expire on May 1, 1951 and the availability of this service is extended until May 1, 1952, under the increased rates contained in this filing.

Further information with respect thereto may be obtained either directly from this Company or by addressing the Secretary of the Illi-

nois Commerce Commission at Springfield, Illinois. A copy of the proposed change in the schedules may be inspected by any interested party at any business office of this Company.

FORD WINS AGAIN!

V-8 TAKES FIRST PLACE IN CLASS "A" 1951 MOBILGAS ECONOMY RUN

Both Ford V-8
and SIX Deliver
more than 25.9

Gruelling
840-mile test
proves Ford
Economy

Again this year... it's high honors for Ford! In the most important economy trial for American stock model cars... the famous annual Mobilgas Economy Run... A Ford 100-h.p. V-8 equipped with Overdrive took first place competing against all cars in its price class, making 54.587 ton-miles per gallon* and 25.994 miles per gallon. And its companion in quality, the new Ford SIX with Overdrive, was right up there with the winner. In fact, both cars averaged better than 25.9 miles per gallon.

Traditional Ford economy, for the second straight year, has been proved in open competition. Proved on the tough 840-mile grind from Los Angeles to the Grand Canyon... a course that included city traffic, below-sea-level desert heat and 7,000-foot mountain passes. Ford's Automatic Mileage Maker, standard equipment on all Ford V-8's and SIXES, contributed to this great achievement by squeezing the last mile out of every drop of gasoline.

Why not "Test Drive" the new Ford at your neighborhood Ford Dealer's? There's no better way to be convinced that "You can pay more but you can't buy better!"

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. (Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons of gasoline consumed.)

POWERSCOOP BARN CLEANER

Chainless
Paddleless
Easily Installed
1/3
COSTS LESS!

POWERSCOOP BARN CLEANER

Operates This EASY Way!

(1) Operator pulls start-stop cord which activates winch power unit. (2) This sturdy "power head" activates both scoop and elevator.

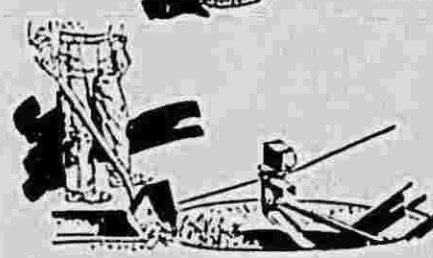

The hand-held Powerscoop (3) is drawn through the gutter to the central hopper (4) where it is elevated (5) to manure spreader outside of barn.

Low original cost, ease of installation, and dependable operation make POWERSCOOP the perfect barn cleaner for your barn regardless of its size or the number and position of gutters.

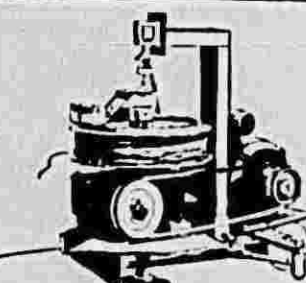

No chains or paddles in the gutters, no idlers or sprockets at the corners, the POWERSCOOP is simply a cable-drawn scoop which empties manure into a fast-moving, self-cleaning elevator. Operation is as simple as A, B, C. Flip the main switch, walk the scoop back behind 3 or 4 cows, tug the overhead start-stop cord, and a winch operated steel cable attached to the scoop will pull the manure into the metal hopper where it's effortlessly carried into the spreader. Your barn is clean in a matter of minutes... without disagreeable, dirty, back-breaking work!

No chains, no complicated plans, no unfamiliar machinery to assemble, you can easily install a POWERSCOOP yourself and save an extra \$100 to \$300 on installation alone!

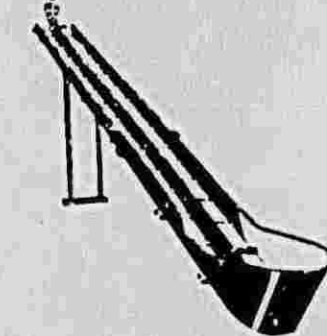

ALL PARTS GUARANTEED
UNDER A 5 YEAR WARRANTY

that's practical, proven and
economical.

This is the hopper section showing the scoop and cable about to empty a load of manure.

The "power head" unit drives both the elevator and the rotating drum for the cable.

The elevator is well constructed and elevates all liquids and solids at the rate of 45 feet per minute.

Save an extra \$100 to \$300 on installation alone. Plans to fit almost any barn—one, two or three gutters—even "L" shaped barns.

MILLBURN

Regular services at Millburn Congregational church on Sunday, Mar. 25, include Sunday school at 9:45 and Easter services at 11 o'clock.

Good Friday services at 7:30 Mar. 23rd.

The West Lake County Minister's Association met at Millburn church Monday morning with ten ministers present. The main discussion was on the value of Visual Aids in the church. The Moody Bible Institute's scientific film "Dust or Destiny" was shown. This same film was shown to a good audience Monday evening in the church basement.

A large crowd enjoyed the home talent show sponsored by the Millburn P. T. A. and given in the church basement Saturday evening. Entertainment included numerous selections by an instrumental quintet, several comedy skits, an Irish dance, various vocal selections, a reading, and a comedy ballet dance by four men of the P. T. A. Ice cream, pie, cake and coffee were sold after the program.

Millburn Unit of Home Bureau met at the home of Mrs. E. W. King Friday afternoon, Mar. 16, with Mrs. Don Holm as co-hostess for the dessert luncheon at 1:30 o'clock. The major lesson "How to demonstrate effectively" was well illustrated by County Home Adviser, Mrs. Helen J. Volk, as she gave the minor lesson "Cake Decoration". She demonstrated making a decorative icing and showed the technique of using three types of containers for the frosting, as she decorated a two-layer cake. Mrs. King, cookbook chairman reported the unit had sold 110 cookbooks. Mrs. Holm, Health chairman read an informative article regarding gall-stones. The 4-H leaders Planning School will be held at Grayslake, March 29. A lesson on making lamp shades will be given by Mrs. John Dostalek and Mrs. Charles Lucas at the Otto Mara

home April 12. Nineteen members and guests, Mrs. Ed Leable, Rosecrans, Mrs. G. A. Lange, Hebron, and Mrs. Korff attended the meeting. Mrs. Korff joined the unit. On April 20 the unit will meet at the O. L. Raether home with pot luck dinner at noon, followed by an organ recital with Mrs. Glenda Mossman, of Russell at the organ. Guests are invited and a silver offering will be taken for the benefit of the treasury.

Twenty-two members of the Mylo Club met at the home of Mrs. L. H. Messersmith Thursday evening, March 15 with Mrs. Walter Fountaine as co-hostess, to celebrate the 7th anniversary of the organization. Mrs. Eric Anderson showed colored slides taken on their family trips through the south and west in 1947 and 1949. Officers were elected as follows: President, Norma Welch; vice president Mrs. Clayton Engli;

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Now that the 1951 offerings of the motorcar industry have had a chance to strut their stuff, we ask you—can there be any doubt which is the really smart buy?

If you want a "new look"—Buick has it. That sturdy push-bar forefront says "1951" to all who see it—and provides unsurpassed front-end protection to boot.

If you want power that you can live with through many moons to come—Buick has that too. Years of expert engineering have made Buick's thrill-packed Fireball engine just about as dependable as a power plant can be.

If you want features that combine present pleasure with long-time durability, consider this:

Buick's level-going ride stems from coil springs on all four wheels which are virtually break-proof and never need servicing.

Buick's Dynaflo Drive* takes the strain out of every mile of driving—and pays off by eliminating any need for friction clutch repairs and replacements, by reducing engine and transmission upkeep, and lengthening life of tires.

*Standard on ROADMASTER, optional at extra cost on other Series.

If you want room and comfort and handling that make any trip a breeze—there's no simpler way to find them than to take over a '51 Buick SPECIAL, SUPER or ROADMASTER—relax and enjoy yourself.

And if you want all this at a minimum outlay of dollars—one look at Buick prices will settle this point.

So the smartest thing you can do is get in touch with your Buick dealer. How about doing that right now?

Equipment, accessories, trim and models are subject to change without notice.

William A. Rosing for Supervisor

I RESPECTFULLY SOLICIT YOUR VOTE FOR SUPERVISOR. ELECTION TO BE HELD APRIL 3, 1951.

Duties of the office are familiar to me as I have been a supervisor for a total of 14 years. My knowledge and experience on the board qualifies me for re-election to the office.

If I am elected I will serve the citizens of Antioch Township to the best of my ability, and will be available at all times—day or night, at my office in Antioch.

Respectfully,
WILLIAM A. ROSING
